Hello, my amazing Unleash Your Inner Witch Family!

I want to start by thanking each of you for holding space for me during my time away. Your patience and understanding have meant the world to me.

Over the past year, I've been on a powerful journey of growth, reflection, and healing. The universe called me to pause, retreat, and rebuild—and I listened.

During this time, I joined an all-female coven, fully embraced my identity as Rishi, and with the guidance of my mentors, deepened my craft. I journeyed through shadow work and reconnected with Hekate's divine energy.

Now, I return more grounded and aligned than ever, ready to continue this journey with all of you. My heart is full of gratitude, and I can't wait to share the wisdom I've gained.

Disclaimer: We're keeping it simple here—no fancy email hosts, just newsletters sent straight from my mailbox to yours. If you'd like to unsubscribe, no hard feelings! Just hit reply and type "Unsubscribe" and I'll make sure you're removed from the list.

HELLO  
*October*

As 2024 draws to a close, let's reconnect and prepare for an exciting 2025 together. There's so much to look forward to, including a new podcast and fresh lessons on my blog at [www.unleashyourinnerwitch.com](http://www.unleashyourinnerwitch.com). My [new podcast episodes](#) {currently some including some short "Talk about it Thursday" segments I share with my coven mentees}, are already live, and there's much more to come! If you haven't already, join the [Unleash Your Inner Witch Facebook group](#) and follow the [Unleash Your Inner Witch Facebook page](#) for updates.

I've truly missed our collective magic. Let's finish this year strong, and step into 2025 with power, purpose, and renewed energy.

### This Week's Magical Challenge

Take 5 minutes each morning this week to connect with your inner self. Light a candle, close your eyes, and ask yourself: What energy do I want to bring into the day? Write down one word that captures this energy, and carry it with you as a reminder of your power.

BY THE LIGHT OF THE MOON,

Rishi
